9th August	Creative Photography	Farnborough	£27.50

Simon Taylor, a local professional photographer, is hosting a series of workshops to help you improve your photography and photographic techniques. There are three workshops on offer :

Creative Photography : Learn or refresh the basics of composition, practice contrast and advanced contemporary techniques. This is suitable for experienced photographers and beginners alike. The day comprises practical exercises, critiques and discussion. Requirements : Digital camera & enthusiasm.
Locations : Farnham & Farnborough

Lightroom : Learn to use this tool, considered essential by most photographers. Import photographs, catalogue and bookmark them for easy index and retrieval, understand how to improve and develop pictures, prepare for printing and export. Ideal for those who don't 'get' Lightroom yet, or are just starting with it.
Requirements : Digital camera, laptop computer & Lightroom 4 or 5. Location : Farnham

Photoshop Techniques : Learn some tricks of the trade in Photoshop. Masking, blending, enhancement, layering & so on. Create some 'trick' photographs that will amaze your friends! Requirements Photoshop Elements / Photoshop CS4 or later, Digital Camera, laptop computer. Location : Farnham

Farnborough Abbey :

This is a working Benedictine Monastery with a small farm, and is the resting place of Napoleon III, the last monarch of France, the Empress Eugenie, and the Prince Imperial Louis.

The Grade I listed church there was built in the 1880s, but in the style of a 15th century gothic church, and has some superb detailing with quite amazing gargoyles, as well as being located in very fine gardens and woodlands. The abbey building is itself Grade II listed, and much of the 36 acres it resides in is designated a conservation area - right in the middle of Farnborough!

You will have the opportunity to ask questions and find out more about life in the abbey.

Upper Hale Village Hall, Farnham : We are based in the village hall with access to the local village green outside. Although this location does not have the richness of history, this is a great location with lots of creative opportunities.

Everything about these workshops is aimed at helping you get better pictures and enjoying your camera more. You will be encouraged to take pictures that you will not have considered before, enhancing your creative side as well as your technical abilities.

Your host : Simon Taylor LRPS, LBPPA, a Farnborough-based professional photographer works in commercial images, events, weddings and sport. He is experienced in all aspects of digital photography, with his digital composite photographs winning at the Farnborough Festival of Arts amongst other awards. He has written a book based on a recent safari in Kenya, to be published later this year, and illustrated with over 150 pictures from the trip. He is a Licenciante of the Royal Photographic Society.

All workshops run from 09:00 through to 16:30. Please don't forget a packed lunch, tea and coffee are provided.

Booking : Please contact Simon by email (simon@phooto.co.uk) or phone on 07799 890210. A deposit of £10 (by PayPal or by cheque to phooto.co.uk) is requested at the time of booking to secure your place, with the balance payable on the day.
