A bride and groom are in a wooden rowing boat on a calm lake. The bride is wearing a white wedding dress and a floral crown, and the groom is wearing a white shirt and a grey vest. They are both smiling and looking at each other. The water is a deep blue, and the background shows a forested shoreline under a clear sky.

## Introduction

---

The Elizabethan Collection from Spicer Hallfield is a fusion of classic time honoured book binding skills with modern day materials and designs. Each album is produced with great attention to detail, including foil gilded edges on the pages, before the cover is individually finished using exquisite leathers, soft suede or fabric materials.

Your photographer has chosen to offer our stunning range of Elizabethan albums as the perfect presentation for your memorable and valuable photographs, ensuring you retain these images in a truly beautiful and timeless album.

Elizabethan albums are available in a series of different sizes, ensuring that in addition to a main album, similar albums can be provided for your family and friends.

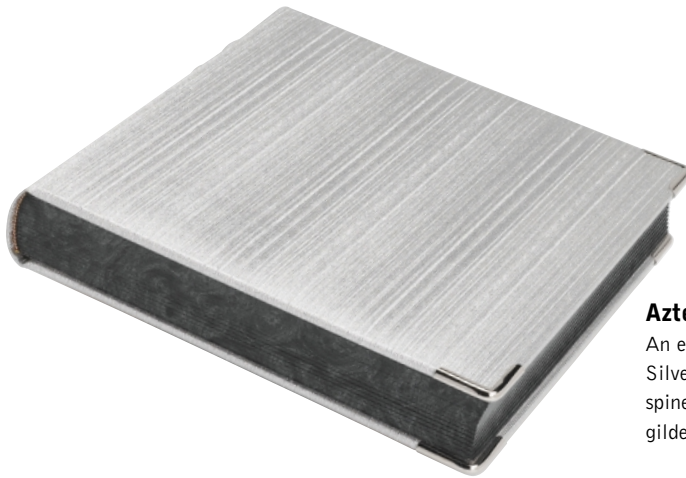

### **Amor**

A rich deep bronze metallic finish leather, featuring apertures to hold two personalised plaques depicting the initials of bride and groom. Finished with raised spine bands and hand pleated corners, around black pages with grey burl gilded edges.

### **Arion**

A rich deep bronze metallic finish leather, stunning in its simplicity, finished with plain hand pleated corners, around black pages with grey burl gilded edges.

### **Aztec**

An elegant album, the Aztec is covered with a richly textured Silver fabric and simply finished with two raised bands on the spine, silver metal corners and has black pages with grey burl gilded edges.

### The Hanover Style

An innovative split cover opening, the Hanover is a style that can be replicated on most of the Elizabethan album range through the Creative Options service from Spicer Hallfield. Available in a choice of either a 1/2 or 3/4 wrap over cover.

### Natasha

A softly grained White or Ivory bonded leather album, the Natasha has a simple and elegant look with a classic embossed border around the perimeter of the cover. Smaller sized albums have a plain cover. The White Natasha album contains black pages, with grey burl edge, whilst Ivory albums contain brown pages with gold burl edges.

### Roma

A luxurious soft suede feel album, the Black Roma has a contemporary look with two raised bands on the spine in silver, complete with silver corners and a grey burl edge to compliment the black pages.

Also available in vibrant Mulberry and rich Burgundy these albums are finished with gold spine bands and corners, with gold burl gilded edges.

### Zanzibar

A striking and individual album cover in Hessian, with small round mirrors embroidered into the cover with gold & silver stitching, the Zanzibar is unique. Finished with silver metal corners and grey burl gilded edges to compliment the black pages.

## Roma A4

Covered in the luxurious soft suede feel material from the Roma range, this A4 format album is available in contemporary Black, with two raised silver bands on the spine with silver metal corners, black pages with grey burl gilded edges and in rich Burgundy with all the key features in gold. Available in landscape or portrait format.

## Salisbury A4

As an alternative to the contemporary suede feel Roma material, our A4 format is also available in the classic Salisbury Black bonded leather. With its lightly grained finish the Salisbury A4 album is finished with two gold bands on the spine, gold metal corners and black pages with gold burl gilded edges. Available in landscape or portrait format.

With a style of their own our Girona, Lorca, Madrid and Valencia Elizabethan albums incorporate a combination of quality leathers, finished by hand with intricate decorative patterns and shading. The look and feel of these albums match the craftsmanship that has been applied to produce truly unique quality book bound albums.

## Girona

A padded album in smooth leather, the Girona Grey has an interlinking silver chain hand embossed into the centre of the album, outlined in black, with a black border. The black pages are finished with grey burl gilded edges. The Ivory Girona has an interlinking gold chain embossed on the front cover outlined in bronze, and finished with gold burl gilded edges on brown pages.

Ivory

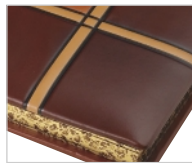

## Lorca

A padded album in smooth leather, the Lorca Ivory cover has an off set gold cross embossed with a black outline and finished with gold burl gilded edges on black pages. Lorca Tan and Lorca Burgundy have the same distinguishing cross with the outer panels delicately tinted in a darker shade complimenting the gold cross with brown (Tan) or black (Burgundy) pages with gold burl gilded edges.
